### Chief Technology Officer

DSI London

Feb 2013 - Apr 2015 (2 years 3 months)

DSI London is a dance fashion leader featured on leading dance competitions.

- Full accountability of the entire technology for an SME of 50+.
- > The company achieved over £5m per year revenue managed by the Ecommerce site, internal tech and Live video streaming Paypal subscription website which as its first task had broadcast International Dancing Championships from Royal Albert Hall, without a fault.

### Software Developer

The Mill

Jan 2011 - Mar 2013 (2 years 3 months)

The Mill are a global collective of passionate filmmakers

- This was my last non-leadership role. I worked here in a section called "Beam" for over 2 years as a full stack dev.
- > Improved the streaming systems authentication protocol used by major Silicon Valley streaming companies.

### Software Developer

Multiple Companies

Jan 2003 - Mar 2013 (10 years)

Worked as a full stack dev for 10 years in total, ranging from tiny teams to big teams in and around London area.

- Server orchestration • Backend development • Front-end development. • Database design and development.
- > Able to work with: Domain names -> Servers -> Front-end -> Backend -> Databases -> Logging -> Debugging.

## PROJECTS

Bootstrapped a childcare app.

[UberNanny](#); 2017

## RECOMMENDATIONS

### Rorie Devine

*Rorie is an author and highly skilled and experienced technology leader.*

"Throughout our numerous collaborations on various projects, I had the privilege of witnessing his exceptional capabilities firsthand. His approach to work is not just about meeting expectations; it's about exceeding them in ways that are both remarkable and consistently reliable."

### Jocelyn Braun

*Joy is an experienced Fintech CEO and over 25 years experience in strategy and finance*

"He possesses exceptional expertise in microservices design and execution, making him the go-to person for designing effective architectures. His ability to create systems that are not only fast and effective but also cost-efficient is remarkable."

### Gerald Schwanzer

*Gerald is an MD of a 50+ people dancesport fashion SME*

"I am confident he can apply his knowledge and experience across the full spectre of companies, from ones just starting up to established multi million corporates."
